### ***Allowable Subject Matter***

1. Claims 1-3, 5-8, 10-22, and 24-26 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose determining a subgroup of data of at least a minimum size that yields a highest confidence level among all of the rules and does not disclose calculating capability ratios for a product processed within an advanced control process. The allowability, at least in part, resides in these facts.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
